Bridging Communication Gap

MULTI FUNCTION RADIOCAM T2

**Radio Remote
Speaker Microphone**

**Record Video, Audio,
Take Photo as Evidence
during Emergency**

**Support Night Vision,
Can be used Day & Night**

The RadioCam T2 is compact size, light weight, a good fit for radio remote speaker microphone (RSM)

Furthermore, it's more than a RSM, it can record video, audio and take photo as evidence during day and night. RadioCam T2 is meeting the trend for reducing the number of devices that first responders wearing in the field.
